COVID-19 Mitigation Requirements:

In accordance with Carnegie Mellon's COVID-19 mitigation policies, **everyone participating in programs, events or accommodations on the university's campus age 5 and older is required to be either fully vaccinated* against COVID-19 or, if not fully vaccinated, must have received a negative COVID-19 test result within three days prior to coming on campus.** For recurring events/programs/accommodations, unvaccinated individuals must be retested on a weekly basis, for each week in which the individual is on campus. Children under the age of 5 are encouraged, but not required to be tested. ***To be considered "fully vaccinated" a person must receive a booster shot within 60 days of becoming eligible for the booster, in addition to the initial dose(s) of vaccine.**

In addition, everyone must adhere to all COVID-19 mitigation requirements including, but not limited to the use of a facial covering at all times while on campus. The current COVID-19 mitigation requirements are available at <https://www.cmu.edu/coronavirus/visitor-protocol/>. The university reserves the right to revise these mitigation requirements, as deemed necessary. Parents, guardians, and other individuals who visit the Carnegie Mellon campus solely for the purpose of picking-up or dropping-off children are not subject to these vaccination or testing requirements, but must comply with facial covering requirements.
