Our Mission

To impact the lives of young people by providing educational programs that build character, instill life-enhancing values, and promote healthy choices through the game of golf.

Who We Are

First Tee - Pittsburgh enables kids to build the strength of character that empowers them through a lifetime of new challenges. Using golf as our platform, we create learning experiences that build inner strength, self confidence, and resilience - skills kids carry to school, relationships, and future careers.

Access & Affordability

No child is ever turned away due to financial or equipment barriers. Your sponsorship helps keep participation affordable for families while covering the true cost of delivering quality programming.

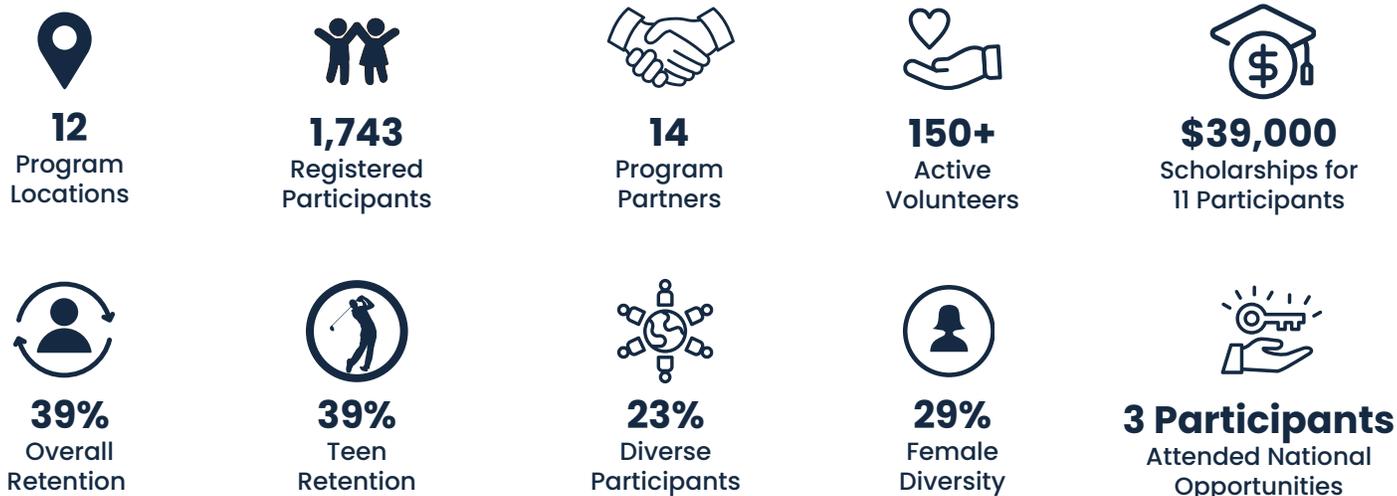

25 Years of First Tee - Pittsburgh

This year, we're celebrating 25 years of building Game Changers across Pittsburgh. We invite you to join us as a community partner - supporting youth development through golf while also elevating your brand through meaningful, year-round visibility.
